*Lemon Grove Netball Courts
Lagoon Street, Ettalong Beach*

Woy Woy Peninsula Netball Association (WWPNA) on the Central Coast of NSW has been servicing the Peninsula and surrounding areas since the 1980s as a community sporting association.

In 2024 we had over 700 members across 5 clubs & 2 individual teams.

We have Junior & Senior representative teams ranging in ages from 11 years to Opens and an enthusiastic band of volunteers. Our aim this year is to maintain & increase our membership around women and girls but also to focus on being inclusive around all abilities, all genders, all ages, and all nationalities.

Some major events on our Netball Calendar this year:

- Senior Representative Carnival on Sunday 23rd March 2025
- The Kids Cancer Project Crazy Hair & Sock Day Saturday 26th July 2025
- WWPNA Representative Netball Presentation Night Friday 1st August 2025
- Finals Series - 23rd August - 30th August 2025
- Grand Final Day Saturday 6th September 2025

As a local community sporting association our revenue is generated from registration fees and donations received from individuals and businesses. On occasions a government grants. In 2023 we opened a new clubhouse built with new facilities for our members that was funded by grants.

Marketing your Business through Local Sport

WWPNA, like everyone, understands that value for money is paramount when it comes to sponsorship dollars spent on sporting or any organisation. With this in mind we have put together several sponsorship packages to give local businesses and organisations flexible options to promote your business locally and across NSW.

As a partner of WWPNA we guarantee to promote your brand, product or service throughout our Association and beyond.

We believe we have packages listed below that will suit your business and your marketing needs. We are open to all forms of "in-kind" sponsorship too. If we don't have a package that suits your needs, our sponsorship options are flexible, so don't hesitate to reach out to have a chat with WWPNA.
